

**Mrs Nilay Ozden,
Managing Director, FINPRO Practice Leader – Continental Europe, Marsh Brokers Ltd**

Short Curriculum Vitae (C.V.)

Nilay started her career at banking. After completion of her MBA, she worked at Marsh in Istanbul as a Senior Client Executive responsible for Specialty lines including Financial Lines, Marine and Energy.

In 2004, she transferred to Marsh's London office, and during this time, she had significant experience advising major multinational clients on their financial lines exposures, mainly FTSE 100 corporations in the UK and large corporations across Europe.

In 2011, she assumed the responsibility of Placement and Business Development for FINPRO across CEMEA region. As of Dec 2012, she is the FINPRO Practice Leader for Continental Europe. Her responsibility includes Management Liability, Professional Indemnity, Financial Institutions and Cyber. She is a regular speaker at various conferences across Europe.

Nilay holds an MBA degree from Leeds University Business School.

“Cyber Security: The role of insurance in managing and mitigating the risk”

Cyber risk is a growing concern for businesses, regulators and governments as attacks continue to grow in frequency, sophistication and severity.

Organizations need to make informed cyber risk management decisions by defining their cyber exposures and cyber risk appetite,

quantifying what value is at risk, and to consider how insurance can help increase their resilience against cyber threats.
